## **Sanborn Coffee Hours Announced**

*Sanborn will be holding Coffee Hours monthly throughout district*

(LANSING) – Alan Sanborn, R-Richmond will be holding a “District Coffee Hour” on Saturday, April 26th, from 8:30-9:30 A.M., at Papa’s Family Restaurant located at 23056 E. Main Street in Armada.

Constituents are encouraged to stop in, say “hello” and spend a few minutes discussing local issues or just getting to know their State Senator.

“Having lived in Macomb County my entire life, I have many long-time friends and acquaintances throughout my district, and I have made many more since being elected to office a few years back, but I want to make sure everyone knows that I am accessible and approachable,” said Sanborn. “These coffees are very casual, comfortable opportunities for area residents to sit down and chat with me in a familiar environment.”

Senator Sanborn will hold “District Coffee Hours” in a different area of his district each month. For more information, call 888-353-ALAN.
